

## How existing members can login to the Minutus Forum

1. Go to this address and enter the email address you use with the forum and click on Submit:  
[https://minutus.forums.group/app.php/user/forgot\\_password](https://minutus.forums.group/app.php/user/forgot_password)
2. You will receive an email from the forum that looks like this:

Hello John Smith

You are receiving this notification because you have requested to recover a forgotten password for your account on "Minutus Forum".

To reset your password, please click the link provided below:

3. The name given after Hello is your username (e.g. John Smith).
4. Now click on the link in the email and you will be taken to a page "Reset password"
5. Not enter a new password of your choice. It has to consist of at least one upper case letter, one lower case letter and a number with a minimum length of 6 characters.  
For example: Min2020 (Please do not use that exact example)
6. Type in the same password in the Confirm password field and click on Submit.
7. You can now login with your Username (John Smith) and Password (Min2020).
