

TRAVELLING HOMOEOPATHS COLLECTIVE

We would like to invite you to make a sealed bid for either of the following pieces of software. RadarOpus Pro or Macrepertory Classic. In order for us to maximise our fund raising we urge you to give generously, not only will we benefit from the winning bid but you will save on the list price. A reserve for each software package has been set. The funds raised will go towards the build cost of our new exciting project The Homoeopathic Clinic.
